

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The cable ownership

cap is a crucial element of our democratic media, and it should not be weakened.

Please do not relax the rules designed to diversify media ownership. The rules, which should be strengthened, were created so that the American citizens can have access to a variety of viewpoints. Please, for the good of our country, retain the cable ownership gap. Thank you.
